Description			
<i>Provide a short description of the event and its activities.</i>			
<p>The aim of the event was to (a) debate EU citizens' attitude, habits, needs and ideas about fake news on line especially considering the amount of fake news emerged about COVID19, the vaccines, (b) present the project's online survey results (c) introduce national realities, approaches and practical applications in different European countries (Cyprus, Greece, Italy, Lithuania and Spain).</p> <p>However, the major scope of the event was to present the project's online survey whose aim was:</p> <ul style="list-style-type: none"> ○ To assess the overall relevance of the issue of the disinformation and fake news in partnering countries of the project. ○ To assess the significance and effectiveness of different actions aimed to minimise the negative effects of the disinformation on national and European level, including actions that can be taken by online platforms, and the use of e-democracy tools. ○ To address the role of politicisation in disinformation strategies as one of the causes of disinformation and fake news. <p>Event audience: project partners, academic experts with relevant backgrounds, representatives from organisations specialising in studying the disinformation and its effects on society, civil society organisations working in areas of media, democracy and civil society as well as journalists and adults aged +65 and young people aged 18-30.</p>
